The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the "Education and Training for Employability" and "Land Productivity", and intends to apply part of the proceeds toward payments under the contract for **Construction work and extension of vocational training centers divided in 2 lots**.

MCC's funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Contractors/Consultants/Suppliers by the US Treasury.

MCA-Morocco now invites sealed bids from eligible bidders for **Construction work and extension of vocational training centers divided in 2 lots**. The execution time of the works is 480 days for lot 11, 420 days for the basic tranche and 360 days for the optional tranche for lot 12 from the start date of work for each lot.

Bidding will be conducted through the small works procedures as specified in the MCC Program Procurement Guidelines (PPG) (<https://www.mcc.gov/resources/doc/program-procurement-guidelines>), and is open to all eligible bidders or consultants as defined in the PPG.

A complete set of bidding documents may be obtained by interested eligible bidders upon the submission of a written application at the following address <http://www.mcamorocco.ma/fr/appels-d-offres>
