

Specific Procurement Notice DAO/CB/MCA-M/LI-20/Compact

Works to build off-site drinking water supply structures in the extension of the Bouznika industrial zone

On November 30, 2015, the Government of the Kingdom of Morocco concluded a second cooperation program (Compact II) with the United States Government, represented by the Millennium Challenge Corporation (MCC), with the objective to improve the quality of human capital and land productivity.

The budget allocated by MCC to Compact II, which came into effect on June 30, 2017, amounts to 450 million dollars, to which is added a contribution of the Moroccan Government of a value equivalent to at least 15% of the American contribution. The global budget will finance, over a period of five years, two projects, namely "Education and Training for Employability" and "Land Productivity", the implementation of which has been entrusted to the Millennium Challenge Account - Morocco (Agence MCA-Morocco).

By way of this specific procurement notice, Agence MCA-Morocco requests qualified and interested bidders to submit offers for **Works to build off-site drinking water supply structures in the extension of the Bouznika industrial zone** with a view to establishing unit price contracts based on the bill of quantities, unit prices and estimated details included in the Bidding Document. The duration of the execution of the works is **twelve (12)** calendar months from the start date.

According to the description in the Bidding Document, a Contractor will be selected. Bidders are advised that the Contractor selection procedures are governed by MCC Program Procurement Guidelines available on the MCC website (<https://www.mcc.gov/resources/doc/program-procurement-guidelines>). Although these procedures are similar to those set out in the World Bank Standard Bidding Documents for Procurement of Works, there are several significant differences and firms are advised to review these instructions carefully.

Please note that this is an English translation of a notice originally drafted in French. Please note that all communication and solicitation documents related to this notice will be conducted in French.
