The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the "Industrial Land", and intends to apply part of the proceeds toward payments under the contract for **Construction work of a culvert, two retention basins and access roads for the extension of the industrial zone of Had soualem and the new industrial zone of sahel lakhyayta.**

MCC's funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Contractors/Consultants/Suppliers by the US Treasury.

MCA-Morocco now invites sealed bids from eligible bidders for **Construction work of a culvert, two retention basins and access roads for the extension of the industrial zone of Had soualem and the new industrial zone of sahel lakhyayta.** The execution time of the works is 15 months.

Bidding will be conducted through the small works procedures as specified in the MCC Program Procurement Guidelines (PPG) (<https://www.mcc.gov/resources/doc/program-procurement-guidelines>), and is open to all eligible bidders or consultants as defined in the PPG.

A complete set of bidding documents may be obtained by interested eligible bidders upon the submission of a written application at the following address <http://www.mcamorocco.ma/fr/appels-d-offres>.

A site visit is scheduled on July 07-2020 at 10.00 am (local time). The meeting point for starting this tour is the Pachalik of Had Soualem.
